Red Box - Lenten Alms
This year we hope to fund two projects through the Kerala Partnership. The first to buy a scooter to replace a damaged and unreliable one for Sisters who run a day centre for 30 elderly ladies in a rural area of Kerala. The scooter is used to carry food to the day centre and to carry shopping to the Convent. The second project is to help rebuild a home that is in poor condition and provides little protection against the monsoon rains. Pictures of both projects can be seen on the posters in the Narthex or on the Parish Website at https://www.ourladyandstkenelm.org.uk/lenten-alms---supporting-projects-in-kerala.html

"Nappy days are here again"..

SVP Appeal for Nappies and Wet Wipes
Could you buy a pack or two when shopping and donate them please? They can be left in the SVP Box in the Narthex and will be put to good use by the Welcome Group. *Thank you.*

How the SVP parish group can help
We can lend an ear to those who need someone to listen to them during difficult times. We can make regular visits to those who need company. These might be people living in their own homes, in residential care homes or in hospital. We can call on support to provide specific items of clothing, furniture or anything else that helps individuals or families get by.
We are sometimes able to provide financial support on a short-term basis. We can organise and (sometimes) pay for short breaks for families facing difficulties, for carers, or others who may need a holiday.
If you think we might be able to help, please speak to Father Bruce, Jane Clarke, Peter and Veronica Flynn, Lynn Gower, Kevin Sables, Mike Weaver, Eileen and Roy Williams. **Call or text Mike Weaver on 07396 246729 or email olsksvp@outlook.com**
