Red Box Appeal (*Aid to the Church in Need*) supporting persecuted Christians in Iraq.
After years of fear, violence and death Christians of Iraq are slowly returning to their ancient homelands of the Nineveh Plains.
The conflict in Iraq, which forced the Christian population to flee for their lives, began in 2014 when extremist group Daesh (ISIS) invaded with a campaign of kidnap, forced conversion, torture and murder.
With Daesh finally defeated in Iraq, the long road of recovery has just begun.
ACN projects are providing emergency aid and giving hope to those returning to rebuild their lives.

"Nappy days are here again"..

SVP Appeal for Nappies and Wet Wipes
The Parish Group is appealing for nappies and wet wipes. There are around 20 asylum seeking or refugee mothers regularly in contact with the Halesowen Welcome Group. These mothers desperately need nappies and wet wipes for their babies. Could you buy a pack or two when shopping and donate them please? They can be left in the SVP Box in the Narthex and will be put to good use by the Welcome Group.

During FEBRUARY
the devotion of the month
is to the
HOLY CHILDHOOD
of OUR LORD
