## Sunday Readings Reflection

Readings: Numbers 11:25-29; Psalm 19; James 5:1-6; Mark 9:38-43, 47-48

Today's texts all make reference to community life, both in the people on the journey to the Promised Land, and in the Church community. The first reading talks about the gift of the Spirit of God to the seventy elders of the people on their journey across the desert. The Gospel reflects on certain aspects of the life of the disciples and of the early Christians in their relations among themselves and with those not belonging to the Christian community. At the end of his letter, James addresses the rich members of the community to reproach them for their conduct and make them reflect in the light of the final judgment.

Shalom,

Kr Stefan
