Lenten Almsgiving through the Red Box

This Lenten Season we will again support the Kerala Partnership in its endeavours to help the poor, sick and destitute in a deprived part of India.

The picture on the Red box is of Lily who we visited in the wooden shack, which is her home. Lily is 85 and lives alone, she attends the Pakal Veedu (day centre) which KP funds one day each week and has a good meal and companionship. Sister Annie also gives her food to take away and, since our visit, a monthly food parcel which KP funds. Her life is hard but now it is a little easier than it was and she also knows that people care about her.
Thank you for making this possible.

Children's Liturgy

Urgently needed.
The children require you!!
Can you devote one Sunday every 6-7 weeks to help with

the Children's Liturgy? You can support or lead the session. If so, please sign the list in the Narthex as soon as possible. Your help would be much appreciated.

Thank You

SVP Meeting

The SVP parish group will meet in Church at 7.30pm on Monday 30th March.

Receiving Holy Communion at Home

There are currently eleven housebound parishioners receiving Holy Communion at home thanks to visits made by our Extraordinary Ministers of the Eucharist. If you know of friends or relatives that are unable to travel to Church because of sickness or disability and who would like to receive Holy Communion at home, please let one of the Extraordinary Ministers of the Eucharist or Father Gerry have their details.
